Dear Mr. Member:

On December 19, 2019, SERS notified you of the Retirement Board's formal action to deny your application for disability. This notice also informed you of your rights to appeal this decision.

All of the evidence submitted on appeal has been reviewed. On the basis of this information, the Retirement Board upheld their original decision to [deny your application for/terminate your] [disability benefits/survivor benefits]. All appeal rights have now ceased.

If you can establish that your medical condition(s) has progressed, a new application may be submitted. Under current law, all applications for a disability benefit must be made within two years of your last contributing date of service.

If you have any questions, please contact our office toll-free at 800-878-5853

Sincerely,
