Maintenance Refills (Aetna Choice POS II, AultCare PPO)

Beginning January 1, 2018, maintenance medications for the Aetna Choice POS II and AultCare PPO plans may only be filled through home delivery. New prescriptions may be filled for the first time at retail, but all refills **must be** obtained through home delivery.

Maintenance medications are drugs used to treat conditions that are considered chronic. These conditions require regular or daily use of maintenance medications.

Specialty Medications (Aetna Choice POS II only)

Beginning January 1, 2018, all specialty medications for the Aetna Choice POS II plan **must** be filled by mail order through Accredo, Express Scripts' specialty pharmacy. Accredo will send deliveries overnight. The only retail pharmacy exceptions are specialty medications that must be taken within 24 hours of a hospital discharge.

Specialty medications typically require special handling, administration, or monitoring. These drugs treat complex and chronic conditions like cancer, multiple sclerosis, and rheumatoid arthritis.

If you have questions, call Express Scripts toll-free at 866-685-2791.

Co-Pay Assistance (Aetna Choice POS II only)

SERS has entered into a co-pay assistance program with SaveonSP. SaveonSP takes advantage of funds available from drug manufacturers to lower your co-pay and the amount that SERS pays. When Accredo receives your order, they will determine if the specialty medication is eligible for co-pay assistance. If it is, you will be contacted by SaveonSP to enroll and lower your co-pay to as little as \$0.

SaveonSP will **only** contact you if the specialty medication you are prescribed is eligible for this assistance.
