School Employees Retirement System of Ohio

August 7, 2024

A new school year is upon us, and SERS wants to partner with you to educate your employees about both their financial well-being and SERS.

Lunch Break Webinar

SERS offers a webinar series called "Lunch Break," a brief educational session followed by a Q&A, where your employees can learn what it means to be a SERS member.

Employees can register for one of two upcoming 30-minute sessions. Each session begins at noon:

Wednesday, August 14

Wednesday, August 28

Checklist for Onboarding New Employees

As a reminder, SERS created an [Employer Checklist](#) as a guide for new employee onboarding. This helpful resource takes employers through the SERS basics, step by step, giving you one less thing to worry about during the onboarding process.

In addition, SERS sends your new employees a "Welcome to SERS" packet 60 days after their enrollment.

Reminder About Entering Employee Contact Information in eSERS

Please make sure you are entering each employee's contact information correctly. Be careful if copying and pasting information. Employee Social Security numbers are inadvertently and incorrectly being entered on New Member Enrollments in eSERS.

Please verify the information you have entered before submitting a new member enrollment.

If you have any suggestions for future topics, please send your feedback to web@ohsers.org.
