What You Should Know

Primary Care Physician (PCP): You have the option to choose a PCP. When we know who your provider is, we can better support your care.

Referrals: Your plan doesn't require a referral from a PCP to see a specialist. Keep in mind, some providers may require a recommendation or treatment plan from your doctor in order to see you.

Prior Authorizations: Your doctor will work with us to get approval before you receive certain services. Benefits that may require a prior authorization are listed with an asterisk (*) in the benefits grid.

Plan costs & information	Network & Out-of-network providers
Premium	Please contact School Employees Retirement System of Ohio for more information on your plan premium.
Annual Deductible	\$O
	This is the amount you have to pay out of pocket before the plan will pay its share for your covered Medicare Part A and B services.
Annual Maximum Out-of-Pocket	\$3,000
	The maximum out-of-pocket (MOOP) is the most you'll pay for the medical services we cover each year. It's in place to protect you . Once you reach the maximum out-of-pocket, our plan pays 100% of covered medical services. Your premium doesn't count toward your MOOP.

MEDICAL DISCLAIMERS

For more information about Aetna plans, go to <u>SERS.aetnamedicare.com</u> or call Member Services toll-free at **1-866-282-0631** (TTY: <u>711</u>). Hours are 8 AM to 9 PM ET, Monday through Friday.

Participating health care providers are independent contractors and are neither agents nor employees of Aetna. The availability of any particular provider cannot be guaranteed, and provider network composition is subject to change.

In case of emergency, you should call 911 or the local emergency hotline. Or you should go directly to an emergency care facility.

The complete list of services can be found in the *Evidence of Coverage* (EOC). You can request a copy of the EOC by contacting Member Services at **1-866-282-0631** (TTY: <u>711</u>). Hours are 8 AM to 9 PM ET, Monday through Friday.

The following is a partial list of what isn't covered or limits to coverage under this plan:

- Services that are not medically necessary unless the service is covered by Original Medicare or otherwise noted in your *Evidence of Coverage*.
- Plastic or cosmetic surgery unless it is covered by Original Medicare
- Custodial care
- · Experimental procedures or treatments that Original Medicare doesn't cover
- Outpatient prescription drugs unless covered under Original Medicare Part B

You may pay more for out-of-network services. Prior approval from Aetna is required for some network services. For services from a non-network provider, prior approval from Aetna is recommended. Providers must be licensed and eligible to receive payment under the federal Medicare program and willing to accept the plan.

Out-of-network/non-contracted providers are under no obligation to treat plan members, except in emergency situations. Please call our Member Services number or see your *Evidence of Coverage* for more information, including the cost-sharing that applies to out-of-network services.

Aetna will pay any non-contracted provider (that is eligible for Medicare payment and is willing to accept the Aetna Medicare Plan) the same as they would receive under Original Medicare for Medicare-covered services under the plan.
